

# Presenter Quick Start Guide

## Conference Tracker Presenter Web Layout

**Sessions**  
View a list of the sessions you will be presenting

**Share a Post**  
Post a message or a file to your session's social feed

**Polls**  
Create and schedule polls to be answered by your session's attendees

**Dashboard**  
View general information about your conference and update your profile

**Session Setup**  
If your session will be presented online, you can add your stream information here

**Badge**  
Generate, download and print your conference badge

## Presenter App Guide

Some conferences will offer the Conference Attendee app, which presenters also have access to! The Conference Attendee app can be downloaded from either the Google Play Store or the Apple Appstore. Simply sign in with your regular credentials and you will have access to features such as:

- Message other presenters and attendees
- Schedule appointments
- View exhibitors and sponsors
- Interact with other social feeds throughout the conference
- View conference announcements
- And much more!
