Get Login Information From Admin

Instructors should have been given their login information to access AccuClass by the admin. The information provided to an instructor for them to be able to Sign in into AccuClass should be:

- **Domain** - This is the institutions domain
- **Email** - your email
- **Password** - the password assigned by the admin (you will be able to change it once logged in)

For an instructor to sign in to the AccuClass app, the admin can have AccuClass email them their information by clicking on **Send App Login Instructions** on the **Instructor** page. A sample email of the instructions is shown below:

Hi Demo Instructor,

Access 'Class Demo' information and announcements at the tip of your fingers with the AccuClass app, available for free at both Apple iOS and Android devices.

To download the AccuClass app and login automatically please click here.

If you want to download the app and login using your credentials please search for "accuclass" in the Apple App Store or the Google Play Store or click on the following links:
