

Using an Apple iPad or iPad mini mounted in a kiosk

Have the students sign-in by reading a barcode with the iPad's front camera while keeping the device locked to display a classroom's scheduled courses through out the day in a tamper-free kiosk mode.

[Click here](#) for instructions on how to download the [AccuClub](#) app.

[Click here](#) to choose another method for tracking attendance with [AccuClub](#).

This feature is currently not available for AccuClub but is under development!
